

International Student Scholarship Application

A limited number of international student scholarships are awarded. Partial scholarships are awarded based on both financial need and past academic history. To receive consideration, your scholarship application should be submitted along with your application for admission together with the required documents.

Scholarship awards are non-transferable, and must be used the quarter for which you are accepted. Scholarship recipients must maintain a minimum Grade Point Average of 3.0 and successfully complete a minimum of 12 credits each quarter. Failure to do so will result in a loss of the award.
